Mothers From Far Away Texas and Oklahoma Ask Us to Select Schools for Their Daughters

During the last few weeks we have received at the Educational Bureau many requests from far distant places. Mothers in Texas, Oklahoma, West Virginia, Virginia and other States have asked us to help them in selecting a school for their children. Some want a moderate priced school and others set no limit. I Of whatever character, we find it and can help you, too, if you are perplexed and worried about selecting a proper school. If By consulting Ledger Central you will save yourself much time, expense and worry. Call, phone or write, giving full details, in order to facilitate the handling of your
